HALF MARATHON COURSE MAP

All half runners are in the right/curb lane for the entire course, with one exception. The only place on the entire course where half runners are in the inside/left/median lane is on eastbound Commonwealth. After the u-turn everyone is put back in the right/curb lane heading west towards University Blvd.

10K runners also merge with half runners just after the Commonwealth Blvd u-turn at Elkins. Please be aware and share the running lane.
